Charity Clay Shoot at Holland and Holland in aid of RAFT a leading Medical Research Charity

A competitive and most enjoyable day at Holland & Holland Shooting Ground organised by LIZ BREWER helped by the RAFT TEAM to benefit the Charity www.RAFT.ac.uk with 80 guns competing in teams of four for the 2015 Trophies for 'WINNING TEAM', 'TOP GUN', 'BEST DRESSED GUN' AND 'SHEER EFFORT'!

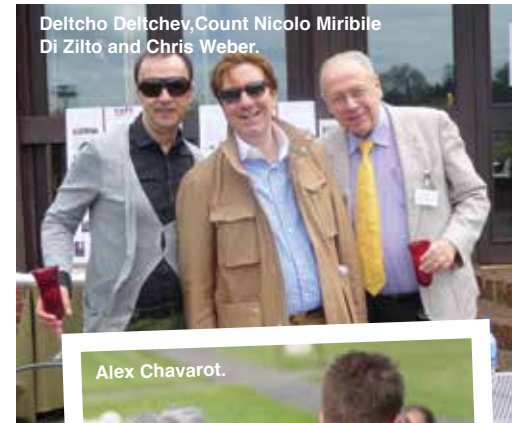

The day started with a shoot breakfast for the guns, before they headed off for the stands and two and half hours of shooting clays. By noon their guests and supporters had arrived for the

LAURENT-PERRIER Champagne Reception on the terrace of the Shooting Lodge in glorious sunshine, followed by lunch in the Hunting Lodge. The Auction was brilliantly conducted by NICK BONHAM, followed by the PRIZE GIVING.

Speeches were given by the Chairman of RAFT, FRANCIS GUGEN and the CEO LEONOR STJEPIC who explained further scientific discoveries which are aiding the growing of bones, skin & bodily parts and in particular their Smart Matrix project.
